DEPROCON CONTROLS

Deprocon Controls is a professionally MSME unit located in Bangalore and manufacturer & exporters of the state of the art Control, Protection and automation panels for the power sector. The company is ISO 9001:45001 certified and has executed many prestigious projects in India and abroad. Deprocon has successfully supplied and commissioned panels upto 400KV including Substation Automation Systems Company offers fully customized control, protection & automation solutions for a wide variety of electrical equipment like Motors, Generators, Transmission Lines Transformers and Capacitors with a production area of nearly 4000 SFT, this facility has capacity to manufacture state of the art protection and automation systems. Designed on the principles of lean manufacturing techniques, it adheres to the world class standards like ISO 9001, ISO 14001. Operations management system using cloud based ERP, ensures lean manufacturing, just in time, optimized production, Reliable delivery times, quick response to customer needs and cost efficiency. HSN Code: 8537100, 8536100

Product of Interest:

- Control, Protection & Sub Station Automation Panels
- Annunciators
- Sub Station Equipment

VIJETA SWITCHGEAR PRIVATE LIMITED

We as a Vijeta Group manufacture and supply all types of Pumps with Pump Controllers. We are largest manufacturer of Control Panels for Pumps handling water from 0.5HP to 75HP. Having served the Indian Pump market for 40 years with desired Quantity, Quality Cost and Delivery, Vijeta is ready for exporting its Made in India product. 90% of our products and sun assemblies are indigenous and manufactured in house. We hope to become an Indian Multinational in its truest sense. HS Code: 85369010

Product of Interest :

All types of Pumps for Domestic and Commercial use.

Self-Priming Water Pumps 0.5-1.0HP, 84137093

Centrifugal Monoblock Pumps 0.5-1.0

HP 84139120

Open well Submersible Pumps - Horizontal & Vertical
0.5 -2.0 HP 84133030

Pressure Booster Pumps - 0.5 to 2.0 HP

Sewage Pumps - 0.5 & 1.0 HP 84137096

V4 Submersible Pumps - Single & Three Phase- 0.5 to 10
HP, 84137010

V6 Submersible Pumps - Single & Three Phase- 5.5 to 60
HP, 84137010

V8 Submersible Pumps - Three Phase- 30 to 125 HP,
84137010

PUMP CONTROLLERS: Single Phase Starters &
Controllers from 0.5 HP to 7.5 HP 85369010

Three Phase Starters & Controllers from 1.0 HP to 100
HP 85369010

Enclosures with IP66 Protection 85381090

SOLAR APPLICATION: Solar Pumps with
Controllers 84137010

SPECIALISED TOOLS: Auto Gripping Device used
for Mechanical Maintenance of Devices used in various
Industries like Power Generation, Pumps, Valves and
Process Industries. 82041110

JATSON POWER PRIVATE LIMITED

JATSON POWER PVT. LTD., based in Vapi, Gujarat & we have been in the Electrical- turnkey project field since 1998.

We have a fully equipped manufacturing facility for L.V. and M.V. Switchboards at Vapi, Gujarat. Siemens Partners for TTA Panels based on IEC-61439. We are licensed partners of M/s. Siemens India Ltd. for manufacturing, assembling, and selling SIEPAN 8PU type-tested low voltage switchboards.

Product of Interest:

Low Voltage Switchboards	85371000
Medium Voltage Switchboards	85372000
Bus Trunking	85389000
Electrification Erection & Commissioning	998736

SUNWISE ENGINEERING PRIVATE LIMITED

We take pleasure in introducing ourselves as one of the leading manufacturers of electrical Machinery and suppliers of various Power Distribution and Transmission Structural Items and Fasteners Items in all over India. Sunwise Engineering Pvt. Ltd. is an ISO 9001 : 2015 Certified Company. We are very strong and can supply bulk quantities of above materials within a very short time by maintaining the quality, at this we are very interested in being associated with your reputed Organization and undertake jobs of various structural Items and Fasteners, we are confident we can cater to your requirements.

Product of Interest:

GI Structure (for Switchyard, Transmission Towers, Railways & Telecom) & Accessories, Cable Tray Support (Struct Type – C1 / C2 & Accessories) & Weldable Support, Cable Trays & Accessories, Earthing Materials & Accessories, Cable Glands, Cable Lugs. Round-Bars, Solar Structure, Angle, Stay Assembly Set, Earthing Fittings, Earthing-Pipe-2. Ladder Type Cable Trays, Perforated Type Cable Trays, Wire Mesh Cable Trays, Coupler Plates etc.

SSS CONSULTANCY

We are currently dealing with in US and Mexico market for the Aluminium, Plastics, and Sheet Metal and Stamping parts. All the process is in-house. We also working as an export house for the smart toilets and cast iron cookwares as a premium products in the market now a days. Smart toilet-Our products for the premium market with the certification of CE Ferrous Cast iron Cookware is durable and dynamic to cook a variety of dishes. Cast Iron Cookware generally brings up images of earlier times and campfire cookouts, but the classic culinary equipment is still popular. HS Code: 7616103090,73182200,85437099,84543010.

Product of Interest:

Aluminium extrusion components like
Clamps, Heat sinks - 760429

Plastics injection moulding components -
84807100

Machining components - 761691 and
721619

Aluminium die casting - 761699

Cook ware products of cast iron - 761699

Smart toilet seats - 902290

SREEVARI ENTERPRISES

We are leading manufacturer of high-quality sheet metal pressed components with over 45 years of expertise. Specializing in progressive stampings and deep draw components, we serve diverse industries, including automotive, telecommunications, consumer products, and HVAC systems. Equipped with hydraulic and pneumatic presses (100-500 Tons) and 9 coil feeder lines, we handle material thicknesses from 0.5mm to 8mm. Our services include in-house tool design, maintenance, manufacturing, and robotic/manual welding. With certifications like ISO 9001:2015 and IATF 16949:2016, we supply globally, including North and South America. Let's explore potential collaborations to meet your business needs. HS Code: 87089900

Product of Interest: Hydraulic Machines, Pneumatic Machines, Other Machineries: Shearing Machine, Induction Annealing Machine, Hydro Pneumatic – Press, M1TR - Conventional Milling Center, Surface Grinding, Conventional Lathe, Drilling & Tapping, Plasma Cutting, Material Handling Equipments : EOT, Fork Lift, Hand Stacker. Utilities: Greaves Generator 100 KVA, 200 KVA, 250 KVA, 15HP to 40HP Compressor. Progressive Stampings, Deep Draw Components, Robotic Welding, Tool Manufacturing, CMM Testing.

LEAN THERMAL SYSTEM

We are manufacturing an Aluminium Melting Furnace from 20 kg to 10000 kg. We are manufacturing a rotary furnace, tilting furnace, crucible furnace etc. HS Code: 69032010, 69029090, 38160000, 84171000, 84161000, 38244090.

Product of Interest :

High Alumina Standard Bricks, End Taper Bricks, Side Taper Bricks, Burner Block, Alumina Mulite Bricks for Glass Furnace.

2. Castable: Insulating Castable, Low Cement Castable 90% Al & Monolithick Castable, Refractory Castable, etc.

3. Furnace: All type of Non Ferrous Melting and Heat Treatment Furnace, Skelner Furnace:Capacity 4 MT TO 20 MT, Crucible Furnace:100 kg to 1000 kg (Electrical and all type of Fuel Furnace), Rotary Furnace **4. Combustion**

Equipment: Burner (Mono Block, Hugh Velocity and High Temperature), Blower (Combustion and Exhaust Blower), Gas Train, Spark Plug, Flame Rod, Solenoid Valve, Ratio Regulator, Ignition Transformer, **5. Fluxes:** All type of Metal Cleaning Flux, FCOVER 11, FCOVER 5, FCOVER 22 Low Temp, FCOVER 88 Wall Cleaning, FCOVER M4 Magnesium Removal, FCOVER M5 Magnesium Removal etc.

SEPTIMO CHEMICALS PVT LTD

Passivation Solution Provider for Orthopaedic, Surgical, Dental, Ophthalmic, ENT, Laparoscopic, Endoscopic Instrument. Anodizing Solution Provider for Titanium Implants and Instruments. CSSD and OT Instrument Reprocessing Solution Provider. Researcher Consultant and Process Designers for Surgical Instrument Manufacturers. Laser Marking Corrosion Consultant Electro Polishing Consultant for Stainless, Martensitic, Precipitated Hardening Grades, Nitinol Wire and Stent Products etc. Anodizing Solution Provider for Surgical Trays. Non-medical Surface Solutions - Passivation Solution for other Alloys like Brass, Copper, Cupronickel Etc. Sanitaryware Chrome plated Bathroom Fitting Descaler and Polishing Solution. Carbon Steel, SG Iron Corrosion Inhibitor. Passivators comply ASTM-A967, A-380, F-1089, BS 16048, ISO 13402, SAE AMS 2700E standards.

Product of Interest:

*Unless specified for other products HS Code is 38101090: Passivation Chemicals for Surgical Instruments: Laserpost – X, Laserpost-R. Passivation Chemicals for heat treated stainless steel components: Septopass – 222 Passivators for machined components / fasteners: Passivast 200 / Retrox Standard, Pickling and Passivation Biphasic Solution / Emulsions : Passipick Pool, Passipick Gel, Electropolishing Chemicals for austenitic martensitic stainless steel : Epol 200 / Newpol 500, Electropolishing Chemicals for Nitinol alloys : Epol 200 / Newpol 500 : Newpol 200 Anodizing Chemicals for Titanium (Color and Grey) : Fluoroxi-Pic, Anodoxi-Invis, Dunkel-25 Anodizing Chemicals for Aluminium etc.

ALLIED

ALLIED - Manufacturers of Pharmaceutical Clean Room Furniture and Process Machinery Equipment's, based in Mumbai (Vasai), Maharashtra, India. With rich 25+ years of experience in serving the Global Pharma Industry, we are India's premier manufacturer of Pharmaceutical Clean Room Furniture and process equipment's. Known as one of the Largest and Leading Manufacturers and Suppliers of Punch-Die Storage Cabinets, our specialisation is to cater to all the customised and standardised needs of the Global Pharma Industry. An ISO-certified company and all the products are fabricated in strict compliance with the set industry standards and cGMP norms. HS Code: 940320

Product of Interest:

1. SS 304 Die-Punch Compression Tooling Storage Cabinet (Customisable) (HS Code: 940320): VerCcal: Horizontal-Type Die-Punch Storage Cabinet, Vertical-Type Die-Punch Storage Cabinet

2. SS 316L Pressure Vessels for Injectable Liquid Storage (Customisable) (HS Code: 940320): 100L: 100L Non-Jacketed Pressure Vessel, 2L, 6L & 10L Jacketed Pressure Vessel

3. SS 316 Agitator/Homogeniser Stand & Solution preparation Tank (Customisable) (HS code: 847990/847989) : Homogeniser with Rotor Stator with Geared Arrangement for Height Adjustment, Stirrer with Manual Arrangement for height Adjustment

4. SS 304 Material Handling Equipments & Conveying Systems (Customisable) (HS code: 842790/847990): SS 304 Hand Pallet Truck (Capacity: 1 to 3 ton), SS 304 Scissor-type Hand Pallet Truck (Capacity: 1 to 3 ton), SS 304 Slat Belt Conveyor, SS 304 Belt Conveyor

5. SS304/316 Clean Room Furniture & Miscellaneous Items (Customisable) (HS Code: 940320): Apron

Apron Locker, 3-Bucket Mopping Trolley, Workstation with Switchboard, Teflon Scoop, Open-Type Scoop, Revolving Stool with Height Adjustment, Drain Trap

RUMIT LIFECARE - RUMIT UNICAP MACHINERIES

Company have more than 30 years of expertise – established track record in pharmaceutical machinery. Company have designed, developed and installed over 1,000 Encapsulation machines around the world with proven performances in more than 25 countries.

Flagship Line – RU CAP Series

- Fully automated capsule filling (size 00 to 5)
- Output up to 150,000 caps/hr with cGMP compliance

End to End Manufacturing – In house machining, surface treatment, assembly & FAT.

Certified Quality Systems – ISO 9001 & CE marked equipment.

HS Codes Promoted: 8422 9090 (Capsule filling machinery) • 8422 4010 (Parts & accessories)

Product of Interest:

A. Precision Ma-chining: Wire EDM • 4 Axis & 5 Axis VMCs • CNC lathes • Grinding & boring

B. Surface Treatments Anodising: (white / hard black) • ENP • Hard chrome • Honing / lapping

C. Key Products: Capsule holders • Pharma seals & granulation parts • Phosphor bronze clutches • SS / Al valves • SS containers & sheet metal fabrications
